Praise for Red Rock Events

“Bill and his wife are amazing!!! Not only is the place gorgeous but they have so **many great options and ideas!** They are very friendly and super easy to work with!”

“We recently had our wedding & ceremony at Red Rock. The entire day was PERFECT. Bill & Kristie did an amazing job throughout planning & the days leading up to the wedding. They were always available to answer any & all questions. The food was amazing. There were **SO many compliments** on how it wasn't "typical wedding food." They went above & beyond all of our expectations. We were able to have more than enough time to set up & everything was all organized & ready to be picked up the next day. The staff & bartenders were amazing & Bill & Kristie were there for the entire day/night making sure everything ran smoothly. We couldn't have asked for anything more! Plus, in terms of wedding costs, it was very affordable! **I definitely recommend them to anyone looking for a venue that has everything you need. From tables, chairs, linens, lights, & everything in between.** Our day was absolutely perfect & we owe a lot of it to them!!! Thank you Bill & Kristie for all of your hard work! I know you're going to have so many wonderful weddings in the future! -Kendra & Aaron Saving P.S. Make sure to get the photobooth & a late night snack! Two of my favorite things from the night!”
