

Tracy has been in the food service business for almost 30 years, she brought her talents to this historic facility in 2014. Tracy's historic supper-club was constructed and founded by Dominic and Dorothy Viano in 1939 and has been the place for great food and drink ever since. Her menu and décor reflect the great atmosphere of years past that remain here today. Thank you for making Tracy's a part of your day, and we pledge to do our best, so you will be sure to come visit again and again.
